PRE-CONSULTATION MEETINGS

Because attending a CCR consultation for the first time can be a confusing experience, we hope to have orientation sessions in a number of cities for registered participants before the Consultation.

These sessions will be an opportunity to share information about the CCR and to meet others who will be attending the Consultation, so that you can get the most out of your participation. Details on time and location of local orientation sessions will be sent out to registered participants once available.

There will also be an **orientation session for new participants** held at the Consultation on **Wednesday, November 24th**.

You can also read the *Brief Guide to the CCR Consultation* available on the 'Meetings' page at: <http://www.ccrweb.ca/meetings>

REFUGEE PARTICIPATION

The CCR is committed to promoting refugee participation. Refugees who have arrived in Canada within the last five years and who are without an organization that could pay their registration fee can register free of charge. Refugee participants must fill in a registration form, checking the REFUGEE category, and send it in to the CCR office by **Friday, November 19th**.

CHILDCARE

During the conference we may be able to provide childcare services for conference participants who have signed up by **Friday, November 5th**. Children must be at least 19 months and toilet-trained. Please specify times at which childcare is needed and the age(s) of the children by sending an email to marisa@ccrweb.ca

SCHOLARSHIPS FOR LOCAL YOUTH PARTICIPANTS

The CCR is offering 30 scholarships to local youth under 25 in Calgary and the surrounding area for the first 30 applications received before **Friday, November 5th**. The scholarship waives the participation fee. To apply for a youth participation scholarship, check the 'Youth' option in the application form and write 'youth scholarship application' in the Additional Comments box.
